MARCH 11, 2013

3 PRONG MEET:

The weather was less than desirable however 12 divers braved the elements and signed up for the challenge to test their skills against one another. Following the briefing by Terrence and blessing by Dave everyone showed their enthusiasm by slowly getting ready and beginning the quest. On shore Terrence, Lance, Terry, and Chris prepared for the divers return and started cooking lunch. As the morning progressed, conditions seemed to improve and possibility of a decent catch became more realistic. At 12 noon divers started checking in and a good catch of fry fish was noted. After all divers were confirmed in Dave said grace and lunch of hamburger steak, macaroni salad, fried mushroom and onion, rice and gravy was served. The weigh in followed lunch, with some ribbing as usual, and the guys proceeded to clean the kole's and manini's. Terry fried the fish after a slight delay due to old age, T forgot the oil. Eating of fried fish and presentation of awards followed. A good time was had by all. Results as follows:

	TOTAL WEIGHT	1ST WAYDE HAYASHI	6.64
		2ND GUY MIKASA	3.38
		3RD BRANDON TAMASHIRO	2.48

FISH AND DIVE EXPO:

AHK had a booth at the fish and dive expo at the exhibition hall on March 10. The club display included fish identification info, reproductive size info, picture collages of old dive meets, slide show, and AHK's dart game for the kiddy's. Helping out were Ava, Chris, Terry, Frank, and Terrence. There were a lot of people, and the ones with children stopped by to play the game. We passed out diver safety fliers and a few membership applications to those interested. It was a long day and thanks goes out to all who helped make it possible.

DIVING WITH DAD:

It is with great sadness that we inform you that Alii Holo Kai will no longer be hosting our annual DWD tournament. Without getting into detail, there are problems with securing a park use permit from the city. The city is enforcing a regulation, that has been on the books since 1991, that requires a "shore water event permit" from the State. It is beyond AHK's capabilities at this time. Again, we are very sorry that this event is ending.

Aloha and dive safely,

Frank
